## Petition to Revive

Applicant hereby petitions under 37 C.F.R. §1.137(b) for revival of the above-captioned application due to unintentional failure to reply to the outstanding Office Action in this matter.

Pursuant to 37 C.F.R. §1.137(b), the present petition requires: (1) the reply required to the outstanding Office Action or notice, unless previously filed; (2) the petition fee as set forth in §1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional; and (4) any terminal disclaimer (and fee as set forth in § 1.20(d)) required pursuant to paragraph (d) of this section.

Further to the above requirements, a proposed reply is enclosed. In error, counsel has accidentally failed to respond to the prior Office Action of August 5, 2005. The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional.

It is believed that no terminal disclaimer is required. The Commissioner is hereby authorized to charge all amounts due to Deposit Account No. 50-1604.

Accordingly, revival of the application is respectfully requested. Counsel thanks the Patent Office in advance for its consideration of this matter.

Dated: February 13, 2006

Respectfully submitted,
